**BACKGROUND**

Chughtai Lab has the honor to serve the nation for last 36 years and have a very strong presence through the country. We can help you better cater your products and services to meet patient's need by our support program initiative.

We with latest gold standard real time technologies available from manufactures of international repute, using instrumentation and reagents from world class brand and test are performed by highly qualified team of professional with in-depth vision. Accurate and faster results are our motto and satisfaction of the patients is our mission.

Punjab Police Special Branch is a Police Force law and order agency responsible for maintaining Law and Order in the Districts Multan, Khanewal, Vehari, and Lodhran. Because of atmospheric changes and physical wear and tear, some of the Punjab Police, are suffering from multiple diseases which are purely because of the polluted environment and other likewise reasons. However, in the absence of a dedicated Police Medical Unit/Hospital, officials of this unit are facing great difficulties during the treatment process.
