

ANNUAL POLICING PLAN FOR THE YEAR 2016-17

DISTRICT DERA GHAZI KHAN

**District Police Officer
Dera Ghazi Khan**

BRIEF HISTORY OF DERA GHAZI KHAN

Dera Ghazi Khan was founded in 15th century by Ghazi Khan, a tribal *Sardar* of *Mirani* tribe. The old city of Dera Ghazi Khan was situated at the distance of 10 miles towards east of the present city. In 1908, old city of Dera Ghazi Khan was destroyed due to heavy flood in the river Indus. Resultantly, the existing city of Dera Ghazi Khan came into being in the year 1910.

The city is divided into different blocks. The British ruler established colonial system in the continent and declared Dera Ghazi Khan as district in the year 1849. General Court Land was appointed as first Deputy Commissioner of this district. Keeping in view the rapid increase in population of the area and deteriorating law and order situation in the district, it was divided into two districts namely Dera Ghazi Khan and Rajanpur in the year 1982. Presently there are three revenue sub-divisions in the district. Similarly there are four police circle consisting of 18 police stations. A tribal belt/political area spreads alongwith western side of the district while river Indus is flowing throughout the eastern side of Dera Ghazi Khan.

Dera Ghazi Khan District a General Profile

Appreciation of scope and challenge of policing in a district requires, among other things, understanding of certain peculiar characteristic of the district. Such features include geography, population, degree of urbanization, level of commercial / industrial development alongwith requirement of fool proof security in the district. DG Khan is a border district. Its boundaries are connected with Khyber Pakhtunkhaw, Balochistan and mountainous range of *Koh-Suleman*. A vast belt of tribal area is also adjacent to the district. In its western side, under administrative control of Commandant BMP, lies the tribal area where district police does not operate. A number of important statistics of the district, needed for policing plan of DG Khan, are tabulated below:

Location

West	Hilly area of Koh-Suleman and district Barkhan of Balochistan province
East	River Indus and District Muzaffargarh
North	Dera Ismail Khan (Province of Khyber Pakhtunkhaw)
South	District Rajanpur

Area

Total Area of this district = 3038410 Acres

Tehsil	Area	Cultivated	Non cultivated
DG Khan	931103	523752	407351
Taunsa Sharif	681493	385868	295524

Tribal Area	1425814	62909	1362905
Total District	3038410	972630	2065780

Tribal Area

Most of the desperate/hardened criminals and proclaimed offenders after commission of crime take refuge in the tribal area. Since local police has no access over there hence arrest of these criminals is very difficult. This situation creates hardship and difficulties for the local police especially in heinous cases which remain pending and cause delay in submission of *challans* to the courts.

Climate

Due to barren mountain of *Koh-Suleman* and sandy tracts in the area, the summer season of the district usually touches the highest point of temperature. However, the winter season of the district remains at medium level.

There is no denying the fact that an organized activity can be satisfactorily accomplished without a roadmap. This roadmap essentially requires predetermined goals to be achieved in the given time frame and an account of available resources to be utilized in achieving these objectives. Annual Policing Plan 2016-17 for District DG Khan

is a roadmap for District Police to provide a guideline expressing the objectives to be achieved with available human and financial resources.

The first and foremost objective of the District Police is to maintain law and order and to provide safe and sound environment to the general public so that each segment of the society may contribute positively towards economic growth. To provide complete security of life and property to the law abiding citizens is a priority of the District Police. To achieve this objective, the District Police has chalked out a well thought out plan which includes monitoring of persons / groups that have potential to create law and order problems with special focus on trade / labour union, lawyers, students and transporters etc.

Eradication of terrorism has been at the top of agenda for Pakistani society for the last few decades. To uproot terrorism/extremism, complete implementation of National Action Plan is priority of the District Police. The anti-terrorism strategy, as envisaged in the Annual Policing Plan includes monitoring of “*Deeni Madarsas*” involved in fanning sectarian hatred, surveillance of persons brought on 4th schedule, strict enforcement of law regarding misuse of loudspeaker, “*chanda*” collection, publishing and distribution of hate material, security of sensitive institutions and information of rented buildings. Special attention has been given for the protection of “*Imam bargahs*”, “*Majalis*”, mosques, processions, religious gathering, important personalities and places of worship of minorities in annual plan.

The Annual Policing Plan also caters for a measure to be taken for reducing crime against property with special emphasis to the highway robberies. Control of crime in riverine belt specially kidnapping for ransom is also on the priority in the annual plan. Eradication of social evils like gun running, narcotics, gambling and prostitution is also on the priority of the agenda.

Bringing the hardened criminals to book will remain the top most priority of the district police.

Effective utilization of human resources, eradication of corruption from police department, elimination of torture, illegal confinement and abusive language is also on the agenda in the Annual Plan. Bringing qualitative and quantitative changes in the police culture by imparting necessary training coupled with effective system of monitoring will definitely improve the police image in public eyes.
