Bahawal Nagar.

INTRODUCTION.

Bahawalnagar District is predominantly an agricultural district, being situated between river Sutlej and Pak-Indian Border. In the past, it was an integral part of State Bahawalpur but in the year 1952, this district got its separate entity.

In terms of physical characteristics, this district can be divided into 'Hithar'(riverain belt), 'Uttar" (settled area) and Cholistan. Hithar and Cholistan are less developed and have lesser socio-economic development as compared to 'Uttar' region. Cholistan is a mass of sand with sand dunes rising at certain places to the height of even 100 feet.

It consists of 5 sub-divisions namely Bahawalnagar, Chishtian, Haroonabad, Minchinabad and Fortabbas with 21 Police Stations, 8879 Sq.KMs of area with a population of 2.61 Millions. This district is inhabitant mostly by settlers from upper Punjab who have brought their old feuds with them and thus they indulge in crime against persons. The inhabitants of river belt are however, active in crime against property especially cattle lifting.

Bahawalnagar is also a developing district and needs new roads. Bhukan Pattan Bridge on Sutlej River is present to link the district with Pakpattan and Sahiwal districts while a new bridge on the same river has also been constructed to link Tehsil Minchinabad to Pakpattan. However, metal road from river to Pakpattan is still under construction. Extension in important towns has started a process of urbanization which still continues. People from more densely populated areas of interior Punjab are still attracted to this district because they consider that there are charming prospects of earning livelihood by bringing barren land under cultivation.

The people of this district are generally religious minded and followers of different schools of thought. Religious leaders exercise considerable influence over the people. Occasionally religious controversy creates law and order situation for the District Police. The activities of religious/sectarian figures are closely and constantly kept under surveillance.

In this district, poor condition of metal roads results in traffic accidents. However, the road condition is improving with the passage of time.

ANALYSIS OF CRIME SITUATION WITH PARTICULAR EMPHASIS ON LAW & ORDER.

The District Police by using their available resources are trying their utmost to avoid the occurrences of heinous crime and to control law and order situation. Systematic patrolling has been arranged round the clock to ensure the police presence at every corner. Whenever any occurrence of heinous nature takes place the police of the nearest police station reach the spot and give hot pursuit to the criminals and provide safety cordon to avoid the recurrence of such crime. All B.Cs addicted to heinous crime have been identified and are under police surveillance. As compared with the previous year, during the year 2014-2015 the crime against property has decreased under heads i.e. Dacoity, Robbery, Burglary, and Cattle Theft by 23, 02, 37 and 09 cases, respectively. However, there is decrease under crime heads Other Theft and Auto Mobile theft by 212 and 11 cases, respectively. We are constantly focusing on reducing crime against property and have devised a plan for this purpose. We are closely monitoring activities of Target Offenders and persons released from Jails in the cases of Crime against Property. The criminals who indulge in this crime are outsiders and infiltrate from long zigzags of adjoining districts of Bahawapur, Pakpattan, Vehari and Okara. In order to combat the crime and criminals on possible routes of influx and efflux of out-laws, systematic patrolling by especially established mobile squads was introduced. The timings at which the out-laws used to commit heinous crime were calculated and stringent measures were taken to prevent the occurrences of heinous crime. At present, there is no threat to law and order situation in this district.

The crime against person showed over all decrease of 335 cases during the year 2015 as compared with 2014. Crime under heads Murder, Attempt to Murder, Hurt, rape/Gang Rape, Abduction for Ransom, sodomy and Kidnapping/Abduction was decreased by 37, 99, 162, 16, 01, 01 and 19 cases respectively while no offence increased under the heads mentioned above during the aforesaid period. All SDPOs/SHOs have been directed to ensure preventive action against all rival groups besides effecting compromises at large scale. To control the crime of kidnapping for ransom SOP devised by the CPO, Lahore is being implemented in stricto sensu.

PRE-REQUISITES TO MAKE THE PLAN A SUCCESS.**ACCOMMODATION FACILITIES.**

In the recent past, the Government of the Punjab has sanctioned more vacancies of Constables in District Bahawal Nagar, if these vacant seats are fulfilled; the district police have no residential accommodation in shape of barracks etc. to shelter the newly recruited force. Moreover, the provisions of bath rooms and latrines will also be necessitated to cope with the situation along with reasonable messes and canteen. For this purpose, the construction at least 4 barracks with attached bath rooms/latrines would be required. Out of which one barrack and water purifying plant would be installed at Police Lines Bahawal Nagar out of welfare fund during this year.

CONSTRUCTION OF POLICE STATIONS.

In future proper buildings of Police Stations Sadar Haroonabad, City "B" Division, Bahawal Nagar, Bakhshan Khan and Mandi Sadiq Gunj are required to be constructed on priority basis.

PROVISION OF MOTOR BOATS.

To combat the crime in the riverain area, 10 motor boats/launches are required by the District Police Bahawal Nagar.

SUPPLY OF TRANSPORT.

District Police Bahawal Nagar is provided with official vehicles for their duties, but this existing fleet strength is insufficient and it needs gradual replacement of about 30% to 40% on yearly basis.

Total No. of vehicles available =187

Total No. of vehicles required =90

Most of the Districts of the Province have been provided with mobile canteens but this district is facing severe problems in the supply of food to the jawans and officers on duty.

METAL DETECTORS AND WALK THROUGH GATES.

The importance of metal detectors and walk through gates can not be denied. At least 150 metal detectors and 10 walk through gates may kindly be sanctioned for the district police.

BOMB DISPOSAL SQUAD.

To eliminate acts of terrorism and sabotage, District Police Bahawal Nagar would need to raise at least one bomb disposal squad with equipment. It is requested that necessary steps for its provision may be sanctioned to this district at the earliest.

CONCLUSION.

By the grace of Allah Almighty, the District Police Bahawal Nagar are performing and are able enough to maintain law and order alongwith prevention and detection of crime despite limited financial and human resources. Inshallah, the District Police of Bahawal Nagar are ready to face any difficulty in the discharge of their duties and they have, now, come with more determination to achieve the objectives/targets laid down in the instant plan. At the same time, it is realized that the District Police cannot work without the cooperation of the Provincial Government. It is hoped that all this will certainly stand with us. The District Police will play its role in effective administration of criminal justice and improving image of Police Department.

It is prayed to “**AL-MIGHTY ALLAH**” to bless the Police Department courage and enthusiasm to protect the life and Property of the Public and to achieve other goals to curb the crime. **(Aameen).**
