Although resources have increased to meet the said requirements, annual policing plan 2022-2023 is devised according to Article 32(4) of Police Order 2002. The immediate purpose of the plan is better means of communication and more vehicles, quality policing by minimizing the response time and quick action, better control over crime and in time delivery of service.

District Detail:

The present district of Bahawalpur was previously known as “Bahmanabad”. In 1729 Nawab Amir Sir Sadiq Muhammad Khan Abbasi conquered it. His son “Nawab Amir Bahawal Khan” when came into power, he established capital of his State at Bahmanabad and named it after his own name as “Bahawalpur”. Accordingly, the whole State owned by him was also named as Bahawalpur State. Being populated by Muslims in majority, the ruler of the State opted for Pakistan in the year 1947. The present Bahawalpur District was created on 14th October 1955.

MAP OF DISTRICT BAHAWALPUR

Total Area = 24,830 Sq. Km.

Total Population= 42,10,566

POPULATION = 3.7 million (Estimated)

AREA = 24,830 Sq K.Ms

The territory of Bahawalpur district lies between the latitude of 27-48 to 29-50 North and between the longitudes of 70– 54 to 70–50 East. The district forms one of the southern parts of the Province of Punjab and is situated almost in the center of the country at the eastern border at an elevation of 152 meters from the sea level. The general slope of the district towards the sea is gentle, with an average gradient of 0.19 meter a kilometer. The average length from north to south is about 178 kilometers and breadth from east to west is 139 Kilometers.

Boundaries:

East = Bahawalnagar District
West = Rahimyar Khan District
North = Vehari, Lodhran, Muzaffargarh Districts
South = Indian Border (220 Kilometer)

PHYSICAL FEATURES AND TOPOGRAPHY

Physical features:

The district Bahawalpur, from all the sides, is land locked. In the South and South East, the Cholistan reaches the Indian border whereas in the north it runs parallel to the southern part of the Punjab plains and river Satluj makes common border with the Lodhran, Muzaffargarh and Vehari Districts.

Topography:

The district Bahawalpur topologically can be divided into three parts i.e., the riverine area, the plain area and the desert area. The riverine area lies close to the river Satluj which flows from the north along its boundary with Vehari, Lodhran, Multan and Muzaffargarh districts. The area is inundated during floods. The irrigated track is higher than the riverine area. Most of the land has been brought under cultivation. The desert area is known as “Cholistan”. It lies to the south and east of the irrigated track and north of the desert of Bikanir and Jaisalmer of India. It extends along the entire eastern boundary of Bahawalnagar district in the North and Rahimyar Khan district in the south. The surface of the desert consists of a succession of sand dunes rising in some places. The barren tract of Cholistan/ Rohi is inhabited by nomadic shepherds. It is actually a part of Indian desert known as “ THAR”. Cholistan means waterless-waste land. Cholistan has been declared as GAME RESERVE (JEEP RALLY).

The former Bahawalpur State, which consisted of only two districts of Bahawalpur and Rahimyar Khan, was later on categorized into three districts with the addition of Bahawalnagar District.

Before 1866, there was no Police Department in the Old Bahawalpur State. The regular Police Department came into being in 1867. Then, for the first time, Police Stations were established in Bahawalpur. The District Headquarters lies on the main Lahore - Karachi Railway line of Pakistan Railways. The Karachi, Lahore, Peshawar Road (KLP Road) also passes through it. It is also linked with the Provincial Capital Karachi, Lahore and Islamabad through P.I.A.

Nature Of Crimes, Committed in The District:

Like most of the Districts, the Riverine areas are infested with cattle-piracy. As one goes towards cities, the crime of vehicle theft, motorcycle snatching and burglary is more predominant.

Although the system of “Rassagiri” does not exist in the district, yet some “Zamindars” sitting in Riverine-belt provide shelter to the cattle-lifters. However, due to persistent campaigns launched against the cattle lifters, the incidents of cattle lifting have decreased. Being a large district, it has crime of every nature e.g., murder, abduction, rape, dacoity, robbery and theft etc. Like other major cities of Punjab, Bahawalpur is also facing the phenomena of street crime.

Extension in important towns has started a process of urbanization which still continues. People from more densely populated areas of interior Punjab are still attracted to this district because they consider that there are charming prospects of earning livelihood by bringing barren land under cultivation.
