

ANNUAL POLICING PLAN **FOR THE YEAR 2017-18**

DISTRICT TOBA TEK SINGH

**District Police Officer
Toba Tek Singh**

INTRODUCTION

Toba Tek Singh is a small District, having **11** Police Stations and **07** Police Posts. It was a sub-division of District Faisalabad and came into existence as independent District on 01-07-1982. The District Police is all set to deliver to the people on the basis of need analysis by revamping its orientation and attitude to conform to the new good governance, parameters and aspirations of the people. The police order 2002 has made it mandatory for the head of district police to prepare annual policing plan and to get it approved by the District Public Safety Commission. Accordingly, this Annual Policing Plan has been prepared for the year 2017-2018.

This plan is an important step towards describing objectives/strategy for the future. The crime in this district in all heads is normal as compared to other districts. This plan is the base to provide the better service to people/to control the crime and to create general sense of security in the minds of people. The crime regarding sectarian issues as well as kidnapping for ransom is under control. Keeping the afore mentioned picture in view, the plan has been given the priority to reduce the whole crime. The implementation and monitoring would strengthen on the targets, objectives and goals given in the Annual Policing Plan, so that we meet the challenge of 21st century in a proper manner.

The Annual Policing Plan is the result of wide consultation with the public and other relevant segments of society. Joint efforts have been made to make our plan as a representative of our thinking, coupled with genuine demands of the public. We will maintain close liaison with the public to know what practice, in their opinion, best suits the purpose and mission of our service. We will work closely in partnership with Friend Agencies, respectable of the society, professors, lawyers, Ulema of different Sects and other dignitaries.

Objectives:

The Police Order 2002 visualized the reconstruction of police for efficient prevention/detection of crime and maintenance of public order. The police are now obliged to function according to constitution, law and democratic aspirations of the people. The police force is required by Police Order 2002, to be professional, service oriented and accountable to the people.

This means complete break with the past, and a total transformation of the police working, according to the need of the time. Human and compassionate culture would

replace the repressive and abusive one. Articles 3&4 of police order amply delineate the attitude and responsibilities of the new police; human, courteous, amiable, friendly, and compassionate. Police officers to be guardians of life, property and liberty of citizens and committed to “preserve and promote public peace”. They are to “obey, and promptly execute all lawful orders”, without fear or favour, firm and polite towards general public. Prevention and detection of crime efficiently

District police would work with the community to eradicate crime from society. All members of the force would be motivated to share the commitment to bring the cultural change. The effort would be done from foot constable to the District Head.

Initiatives:

Citizen Feedback System:

The Citizen Feedback Cell has been established to gather feedback from all the clients of the District Police, so that the public grievances against the police officials can be redressed. This system tends to enhance the level of service delivery, accountability and fair dealing by the police personnel and will generate realization on the part of general people that their complaints against the malpractice of police officials are being responded and their grievances are redressed without delay.

Empowering people through communication and respect:

Open Door Policy, No Chit System, no visiting cards and no visiting hours. Now, complainant comes into directed contact with DPO in case of any grievance.

Introduction of Video Conference Facility:

In pursuit of the policy of providing easy access to general public the district police have undertaken an initiative of providing facility to complainants for making a video conference call with the DPO. Through this initiative the complainants residing at the far ends of the district who find it difficult to travel all the way to DPO office can go to their area Police Station and submit their complaint one-to-one to the DPO through video conference facility.

Establishment of central 15 control room and Police vehicles tracking system:

In order to ensure the quickest response of District Police, Toba Tek Singh to crime, a Central 15 Control Centre, equipped with police mobile vehicles, tracking system has been established at the District Police Offices Complex, Toba Tek Singh. For this purpose, new emergency cell centre system has been installed at Control Room. Moreover, 30 vehicles have been equipped with tracker units.

Accountability through awareness guidelines for general public for criminal:

Investigation:

These guidelines have been developed by Toba Tek Singh police to enhance the knowledge regarding the procedure and process of police investigation and to create awareness about their legal rights. These guidelines are being given to the complainant alongwith copy of FIR in district.

Initiatives taken up for improving Investigation:

For improving investigation methods, a digital lab has been established at DPO Office. Analysis of Call data records of mobile phones to trace out complicated cases is the major function of this Lab. This Lab has a digital database for stolen vehicles.

Installation of Biometric Attendance System:

Biometric Attendance System has been installed at every police station (11 in number), Police Lines, Police Posts (3 in number) and DPO Offices Complex of District Toba Tek Singh. Now, the attendance of every officer/official is being recorded through these Biometric Units, which has greatly helped in improving performance of police functionaries.

Skill Development Centre:

A training facility including a class room equipped with multimedia and other modern facilities was established at Police Lines, T.T.Singh. This Skill Development Centre has the seating capacity of 34 persons. After its establishment, many courses have been conducted at this centre to enhance the professional capacity of Investigation Officers and Moharrirs.

Digital Uniform Store:

A new digitalized uniform store has been established at the Police Lines. All the transactions of this Uniform Store are recorded in the computer through especially designed software which has ensured proper and timely distribution of uniform among the police personnel of District Toba Tek Singh.

Computerization:

A computer centre is established in each Police Station. A Computerized Complaint Cell, with complaint management system at district level is inter-connected with the provincial offices through Web. Official record of police officials have been computerized.

Merit Based Recruitment:

The undersigned himself monitors and supervises all the stage of recruitment i.e. forms evaluation, physical measurement, race, written test and interview of the aspiring candidates. Police officials with impeccable service record are deputed in the whole

recruitment process. The principles of transparency, accountability and merit are embraced with and materialized.

Welfare of Police Force:

Several project of welfare of police force has been completed in which Renovation of Mess Hall, construction of new recreation room and Gymnasium, establishment of Utility Stores, new barracks for officials, renovation of Quarter Guards, repair of metallic road within the Police Lines are of worth importance.

Priorities:

The priorities are as follows:

- To provide a sense of security to the people through effective prevention of crime.
- To tackle crime barons; combat serious and organized crime.
- Bridge the justice-gap through efficient detection of crime and effective prosecution with the cooperation of Punjab Criminal Prosecution Service.
- To improve the police image and change of thana culture.
- CCTV Cameras at important city buildings under provision of shops and establishment Act.

Strategies:

The fight against anti-social elements and disorder would be waged on all fronts. From prevention to crime detection, investigation, every area will be meticulously attended to. Public Security, Maintenance of peace and Traffic management would be improved suitably. The targets are as follows:

Targets:

- Prevention/reduction of crime.
- History sheets: The provision of Chapter XXIII of the Police Rule 1934 will be strictly enforced.  - Dens of criminals

- **Qabza Groups**

Heinous crime has decreased upto 19.73% due to effective strategy of district Police as well as hectic efforts made by the district police.

POs & CAs: As laid down in rule 21.5 “the absence or prevalence of absconding and harboring are among the acid tests of the efficiency of the criminal administration. The lists alongwith action taken will be reported on quarterly basis. DSP(Legal) will update the Register of Proclaimed Offenders. The POs wanted in heinous offences like murder, dacoity, Robbery, terrorism rape, etc. will be separately listed. SHOs, as well as Special Squads constituted for nabbing dangerous POs will put in their best to arrest maximum number of POs. The performance of district police with regard to arrest of POs/CAs/MDs for the year 2016 is as under and it would further be improved in the year 2017.

Community policing:

Similar action is being taken for the apprehension of Court absconder and Military deserters. Every union council in a police station would be placed under the charge of SI/ASI who would visit each village/neighborhood and criminals of all kinds would be booked and brought before the law.

Awareness Campaign:

Through widespread publicity and awareness campaign for all those wanted by the court will be persuaded to voluntarily surrender themselves before the courts. The outcome of the campaign would be monitored.

Preventive Measures:

Preventive action u/s 107/151, 107/150, 55/110 & 55/109 Cr. P.C will be promptly taken for ensuring that public peace is not breached. - FIRs on the reports received from Village Headmen under Rule 24.2

A) Internal accountability :

DPO will report on quarterly basis to the RPO about departmental action taken against police officer/officials on different counts i.e. burking of crime, minimizing the gravity of offences by manipulating the relevant sections of PPC and corruption etc.

Nadra Verisys System:

This system has been installed in the office of D.P.O after due negotiation with NADRA. It is a most effective system to trace out fake/bogus computerized identity cards and to dig out the culprits involved in the cases of forgery/fraud. This system will be extended up to the judiciary as the learned Sessions Judge, has agreed to adopt this exercise in courts by the judicial officers to curb the tendency of bogus surety bonds etc presented on the basis of fake identity cards

Investigation:

Delay:

As laid down in Rule 25.17 (3) of Police Rules 1934, unnecessary delay would be stopped in the course of investigations, challaning successful cases or in submission of final reports in untraced cases etc.

Close Supervision of Investigation:

Superintendent of Police (Investigation) shall closely supervise the investigation of all reported/important cases in accordance with the Police Order 2002.

Augmenting Investigating Staff:

The work load will remain under constant review and investigating staff would be augmenting wherever necessary and possible. Equitable distribution of the work would be ensured.

Pairvi Officers:

In every Police Station, a full time Pairvi officer will be appointed. He would be issued a Pairvi Book to ensure that the trial of the cases sent up by his Police Station is not hampered for want of attendance of Prosecution Witnesses and other evidence. The Prosecutor would report any lapse on the part of Pairvi Officers to DSP (legal) who would evaluate their performance on quarterly basis.

Production of Under Trial Prisoners:

Prison-vans dedicated for the carriage of under trial prisoners to courts and back to jail will be kept in good order. It would be ensured with the cooperation of the jail authorities that on the date of hearing, the under trials are produced in time before the court. Their security will also be fully ensured. Any lapse in this regard will be seriously viewed.

EFFICIENCY TOOLS

Unclaimed Property: The unclaimed property recovered by police will be dealt with in accordance with Article 134 of Police Order 2002.

Data Base:

The vital information will be computerized on priority basis. Within first quarter, brief particular of all terrorists and proclaimed offenders involved in heinous cases would be computerized. The finger prints of culprits would be fed in the data base for future use/guidance.

CRO:

The working of CRO would be improved. The hardened criminals would be dealt with by iron hands and techniques. Date of all criminals have been computerized and is being updated regularly.

Deployment of Staff:

The progress in policing depends on the availability of the trained manpower. Efforts would be made to get the trained staff for achieving fruitful results.

Security Plan

Contingency Plan:

Contingency Plan in respect of the following events / eventualities / unforeseen are prepared well in time.

- **Muharram**

The Contingency Muharram Plan will be prepared keeping in view the trouble spots.

- VVIP Visits or tours by foreign dignitaries/groups/pilgrims according to the movement of VVIP/VIP as well as according to their schedule program.
- Earthquake, floods, fire, mass poisoning, arrangements will be made according to the circumstances.
- Train, bus accidents or air crash according to the situations.
- **Massive acts of terrorism like bomb blast.**
According to the situation SOP will be prepared
- Major disruption or sabotage in Public utilities like gas, electricity, water supply.
- Sectarian or other rioting, student/labour unrest resulting in violence.
- **Floods:** This district is not flood area, even then a plan is prepared for the rainy season in order to meet the situation.
- Rescue and relief will be planned in consultation with district government and all the concerned agencies and finalized before advent of rainy season. Safe location for shifting the affected population of human and cattle would be earmarked in advance to avoid any complication.

- **Student:** College is fairly volatile. Like volcanoes these may erupt any time. In collaboration with heads of these institutions, Circle Officer/SDPOs would develop deep understanding of the undercurrents and ensure that congenial climate is maintained. Trouble makers if any would be identified with great care and caution with the help of parents and teachers.
- **Labour:** SDPOs shall ensure that tension developing among industrial labour if any, is resolved with the help of management well in time.
- **Sectarian peace:** Trouble spots and threat areas would be identified. Vulnerable Mosques, Imambarghas, and Places of Worship would be secured with the help of the community. Timely preventive action shall be taken against the violators under the relevant provisions of law.
- **Election:** Election of any kind, be they for the National/Provincial Assemblies or for the local bodies, generate their own dynamics which certainly affect law and order situation. Contingency plans will be prepared in advance to cover such a situation.
- **Vulnerable Important Persons:** Important persons who may have reason to feel threatened will be helped by tightening their security. Security of such persons shall be kept under constant review even if they themselves do not make any request to this effect.
- **Security:** Security of District & Tehsil Courts, DHQ/THQ Hospitals and other important areas.

Human Resource Development and Thana Culture:

Thana Culture is the major impediment. Police working has improved but public perception has already changed. The common man has to be convinced that attitudes and behavioral patterns of the police force at all levels have been changed to some extent. Every member of the force has to “behave with the members of the public with due decorum and courtesy” and “to guide and assist members of the public” as envisaged in Chapter II of the Police Order 2002.

Initiatives:

To bring about the qualitative change the following measures will be adopted.

- NGOs, social welfare organization, community workers will be identified in each city and town area who are inclined to play active role in prompting peace and cordiality. SDPOs/SHOs/Nazims will personally established contact with them and seek their cooperation in cultivation police good will.
- Senior officers will present them being accessible, polite and helpful to all the visitors in respect of rich and poor.
- Seminars involving SHO/ASIs/HCs/Constables and different sections of society will be organized to build mutual trust and confidence.

- SHOs will personally remain available to the people during certain hours of each working days. The timing would be prominently displayed on the notice board outside the police station and would be strictly observed. SHO shall accord sympathetic and patient hearing to every visitors.
- Duty Officer will be appointed to attend to the people when SHO is away or is attending the matters of great urgency.
- Supervisory officer will hold monthly meeting with community leaders, Mohallah Committees in every police station.
- Each Union Council in a police station would be placed under the charge of preferable young ASI recruited through Public Service Commission. It would be given a good ground in the concept of community police. He would visit the villages and neighborhoods regularly and ensure that police and community fight the crime together. Every SDPO will submit a quarterly report of this experiment of community policing.
- Every police station will determine as to which is staple crime, i.e recurrent offences. A crusade would be launched against particular crime. For instance, if it be the cattle lifting in a certain police station then the cattle lifters shall face the real might of the law enforcement.
- Officers and the men would be so conditioned that they develop full faith in the rule of law.
- Monthly performance of SDPOs and SHOs of each police station will be evaluated. In addition to the other things, "Best Practices" followed by staff will be identified for appreciation/commendations.
- DPO will hold a quarterly meeting with all SHOs for dissemination and the application of the "Best Practices".
- Official at all levels would be sent for skill and orientation course. Those who perform better during the training would be considered for reward.
- Young and intelligent officials would be encouraged to learn computer, internet and E-mail.

RESCUE:

Rescue system is operating in this district. Teams are available at day and night. The response time would be around five minutes from receipt of the call. Rescue Centre is equipped with:-

- Multiple telephone help lines.
- Round the clock service counter for public assistance/relief.
- Wireless fitted motorcycles squads with automatic weapons.
- Stand by elite and crime scene units.
- Stand by ambulance with emergency aid unit.

- Fire brigade and bomb disposal coordinator.
- Connectivity with police control room through E-mail/Internet, besides normal.

Elite Force:

They are police commandos, well trained, disciplined, courageous and brave. They are meant to deal with Terrorist, dacoits, gangs of other hardened criminals, sectarian terrorists and the proclaimed offenders. The present strength of elite force in the district is as under:

Elite Force with rank wise break up:

| Inspector | SI | ASI | HC | FC | LC | Total |
|-----------|----|-----|----|-----|----|-------|
| - | 1 | 1 | 7 | 108 | 1 | 118 |

In the prevailing law and order/security environment, the existing strength of elite Force will be sufficient, for the next year.

Traffic Management:

DSP Traffic with his staff shall improve quality of traffic management. The perception about corrupt practices, however, persist. The following measure would be taken to bring about a visible change:

Fitness Certificate: Only the vehicle in real good condition would get fitness certificate, RTA will be moved to constitute a committee whose integrity is above board. This committee will be authorized issuing of fitness certificate after thorough and complete checking of the vehicle by the expert, including MVE.

Driving Licenses: Driving licenses will be issued after rigorous test to well qualified, able-bodied persons. Driving without license will not be tolerated.

Incidence of driving while under the influence of drink or drugs would be effectively curbed:

Over speeding will be systematically and consistently checked:

Ticketing System: To ensure effective checking, ticketing system would be introduced with optimum efficiency.

Reflectors: Reflectors will be got affixed on the vehicles, particularly the slow moving ones to avert accidents during hours of darkness, and foggy weather.

Analysis of serious accidents: Every serious accident will be closely analyzed to determine the cause thereof. The culprits would be taken to task. The causes would also be addressed to try to prevent a similar mishap in the future.

Counter Terrorism:

Effective partnership with intelligence agencies, district government is a prerequisite for countering local terrorism. The following measures will be adopted to combat this menace.

- A senior officer of at least ASP/DSP rank will be designated as the district coordinator who would remain in constant contact with intelligence community and local community leaders.
- Robust local contingency plan will be worked out to deal with terrorist attacks and management of their consequences.
- Police officers with specialized training in dealing with the use of terrorists of chemical, biological material will be identified and rededicated for this sensitive assignment.
- Young, intelligent officers will be sent for counter terrorism training.
- Statutory powers available in different enactments will be applied to prevent and disrupt acts of terrorism.
- Local training will be imparted to the staff regarding incident response.
- Selected official will be departed for special training in suicide intervention issues and bomb threat.
- Contingency plan will be coordinated with the concerned military and emergency response units.
- Sensitive information will be shared with police in other districts.

Police Public Partnership:

Article 44 (b) of the Police Order 2002 entails that “the DSP & CC shall submit an annual report to the government through the PPS & CC”, containing apart from other things “a report on the functioning of the district police besides matters connected with

the law and order in the district". DSP will feel handicapped in generating these reports unless the district police extend generous cooperation in sharing with it the relevant information. In order to meet with aforesaid purposes adequately, the following periodical reports will be submitted to DPSC by the dates indicated against each.

Annual Police Administration Report:

Under Rule 21.16 of Police Rule 1934, an APAR has to be prepared by DPO in January of each year for the pervious calendar year. A copy of the same shall be sent to DPSC before 20th January. While preparing the said report, provision of Rule 21.17 would be strictly followed so that the quality of the document is ensured.

Contingency Plan:

A copy of the contingency plan for the dealing with the likely threats to public order would also be provided to DSPC. It would be construed to be a part of the ALLPP.

Monthly Crime Report:

Monthly Crime statement in form 21.15(1) prepared under Rule 21.15, on the first of each month will be regularly provided to DPSC, which may discuss in its next monthly meeting and device ways and means to further promote police public cooperation for arresting dangerous crime trends.

Integrated Approach:

All agencies impacting the criminal administration would be taken on board. These agencies would include "Criminal Justice Coordination Committee" and "Citizen Police Liaison Committee."

Criminal Justice Coordination Committee:

Constituted under Articles 109 & 110 of the Police Order, it is of great significance. Its functions as laid down in Article 111 of the Police Order are as under.

Function of the Criminal Justice Coordination Committee:

The Criminal Justice Coordination Committee shall.

- Keep under review the operation of the criminal justice system and work towards the improvement of the system as a whole.

- Promote understanding, cooperation and coordination in the administration of criminal justice system.
- Exchange information give advance notice of local developments, which may affect other parts of the system;
- Formulate co-coordinated priorities and plans to give effect to locally agreed policies;
- Raise relevant issues with the appropriate authorities;
- Promote the spread of good practices;
- Review the implementation of any decision taken by the criminal justice coordination committee.
- Citizen Police Liaison Committee constituted under Article 168 of the police order 2002 can also play an important role in bridging the gap between police and the public. It has not yet been established in this district. However, an exercise will be carried out for the same.
